### Year 6

Well done to year 6 for being so mature this week whilst their national tests took place. We are very proud of how you handled yourselves!

### PTFA

We are looking into starting a Parents Teachers And Friends Association to help us raise funds for the school, in particular to help us improve the grounds for the future.

### NSPCC Day

On the 24<sup>th</sup> May we will be holding NSPCC day where the children will be allowed to add green to their normal school uniform, in return for bringing in a donation.

By adding green we are showing our support for this wonderful cause.
