POLICY

Penwortham Broad Oak Primary School

English Policy

Date: September 2025

Review Date: September 2027

Approved by: Governing Body

Vision and Ethos

At Penwortham Broad Oak Primary School, we believe that every child has the right to an excellent education that inspires curiosity, builds confidence, and nurtures a lifelong love of learning. Rooted in our ethos of 'Believe and Achieve', we are committed to creating a safe, inclusive, and stimulating environment where all children are empowered to reach their full potential.

Mission Statement

Broad Oak Primary School and Broad Oak Care Club together are dedicated to celebrating the success of individuals and groups where they are empowered to exceed their own expectations and to make a valuable contribution to their society.

Through a caring, safe, supportive, and challenging ethos, we pride ourselves in delivering an excellent quality of education, where mutual respect and opportunity for all are combined with the values of community life.

Aims

This policy aims to ensure that all children at Broad Oak Primary School are offered an inspiring curriculum in language and literature including opportunities to interrelate the requirements of English within a broad and balanced curriculum. This includes application of English across the curriculum with opportunities to consolidate and reinforce taught literacy skills.

By the age of 11 we aim for a child to be able to:

- Take pleasure in all aspects of Literacy;
- Read and write with confidence, fluency and understanding, developing a range of independent strategies to self-monitor and correct;
- Develop the powers of imagination, inventiveness and critical awareness;
- Have an interest in books and read for enjoyment;
- Have an interest in words and their meanings allowing them to develop a growing vocabulary in spoken and written forms;

- Understand a range of text types and genres allowing them to write in a variety of styles and forms appropriate to the situation;
- Have a suitable technical vocabulary to articulate their responses.

Statutory requirements

Statutory requirements for the teaching and learning of English are laid out in the National Curriculum English Document (2014) and in the New EYFS framework (Sept 2021).

In the Early Years Foundation stage (Reception) children are given opportunities to:

- Link sounds and letters to begin to read and write, using the RWInc scheme of work and through the wider curriculum,
- Access a wide range of reading materials to ignite their interest,
- Become immersed in an environment rich in print.

At Key Stage One (Years 1 and 2) children learn to speak confidently and listen to what others have to say. They continue to read and write independently and with enthusiasm. They have opportunities to use language to explore their own experiences and imaginary worlds.

At Key Stage Two (Years 3 – 6) children learn to change the way they speak and write to suit different purposes and audiences. They read a range of texts and respond to different layers of meaning in them. They have the opportunity to explore the use of language in literary and non-literary texts and learn how the structure of language works.

Subject Organisation

The English curriculum at Broad Oak Primary School is delivered using the National Curriculum English Document (2014). Early language in EYFS is guided by the new areas of learning development to ensure continuity and progression from EYFS through to the National Curriculum. We have adapted the Pathways to Write scheme so that it is pertinent to our children and our school.

Using Pathways to Write, teachers throughout school will follow the units set out for their year group.

Units are generally planned over a half-term and include 3 distinct phases – reading, gathering content and writing (also referred to as The Gateway/The Pathway/The Writeaway – please see below). These phases allow the children to thoroughly explore the text type and its features before practising aspects of writing and then writing more independently to produce their own version of the text type.

Approaches to Speaking and Listening

At Broad Oak we aim to help children:

- Understand and produce a simple and an elaborate language;
- Use speech for a variety of purposes e.g. describing events, expressing opinions, articulating feelings and investigation;
- To use language to aid social and emotional development;
- Use standard English, vocabulary and grammar;
- Use language for enjoyment;
- Listen carefully and respond to what is said.

The four strands of Speaking and Listening: Speaking; Listening; Group Discussion and Interaction permeate the whole curriculum. Interactive teaching strategies are used to engage all pupils in order to raise reading and writing standards. Children are encouraged to develop effective communication skills in readiness for later life.

Approaches to Reading

At Broad Oak we aim to:

- Encourage a love of reading by making it a successful and enjoyable experience;
- Produce effective readers;
- Provide a wide and stimulating variety of texts;
- Build up a sound base of reading strategies using phonic awareness;
- Develop initial and advanced reading skills;

Reading is an important part of the English curriculum in our school. Home reading books are organised on a banding system (all KS1 and EYFS have phonetically decodable reading books matched to their phonics level) ensuring the children read books appropriate to their level. These books will be provided and sent home on a daily basis for parents to read with their children. Reading resources will provide enriching vocabulary, correct grammatical structure and interesting content.

Each parent is given the opportunity to liaise with teachers through reading record books which record when the children have been listened to in school by a member of staff or a volunteer, and at home, and any areas of concern or celebrations that should be shared. Children who have moved on from the reading scheme have access to the class book selection and school library or they can bring a book to read from home.

Children in our school are encouraged to read widely and our school library offers the children the opportunity for wider reading through the borrowing of a variety of

books. The children have weekly access to the school library which offers a wide variety of texts to capture interest. They also have access to listening to a range of texts through their class novel which the teacher reads to them daily.

Shared reading taking place within English lessons will provide enriching experiences through more challenging texts. Teachers will also share stories with the class displaying an enthusiasm for reading and setting a positive example as a reader.

Phonics is taught daily in Early Years Foundation Stage and Key Stage One following the framework of 'Read Write Inc'. This will involve a daily session of planned systematic phonics' delivery, with a wide opportunity for application of skills through the environment and other lessons.

As part of our English curriculum, each child across school will take part in at least three guided reading sessions each week outside of the English lesson which will be led by the class teacher, allowing the children to develop their reading and comprehension skills. This is continually assessed by the teacher against the National Curriculum with an assessment completed at the end of each half-term.

Approaches to Writing

The School aims to:

- Give writing a purpose and make it an enjoyable experience by presenting a wide variety of writing opportunities;
- Develop the children's confidence as young writers;
- Help children see writing as an important means of communication;
- Develop Writing by positive teaching of skills and encouragement;
- Give each child the opportunity to write in a variety of genres and for a variety of audiences.

Classroom writing situations should emphasise to the children the purpose of Writing and give the children the opportunity to write in a variety of genres and for different purposes and audiences.

Shared and modelled writing, taking place within English lessons, allows the teacher to demonstrate good writing practice to the children while using their ideas. Teachers must ensure that the writing demonstrated shows high expectations and covers the grammatical and genre features they would expect to see in the children's writing including across the ability groups.

Children are expected to write daily in a range of forms. Children from Year 2 upwards follow Pathways to Write which includes three stages:

The Gateway (1-2 lessons)

- Begin at the Gateway with a 'hook' session to intrigue and enthuse young writers
- Use objects, people, images or role-play to stimulate questions about the chosen text
- Give pupils the opportunity to predict the text
- Establish the purpose and audience of the writing
- Revisit previous mastery skills and ongoing skills

The Pathway (10 lessons)

- Introduce pupils to three new writing skills from their year group curriculum
- Provide opportunities to practise and apply the skill they have learnt through short and extended writing tasks including character descriptions, poetry, dialogue between characters, fact files or diary entries in role
- Provide opportunities to re-cap and apply previously taught skills
- Challenge greater depth writers through a wider range of tasks e.g. changes to form, viewpoint and audience

Writeaway (4 lessons)

- Section and sequence texts independently or collaboratively
- Create extended pieces of writing over time
- Opportunity to apply mastery skills
- Time for planning, writing, checking, editing, redrafting and publishing
- A fiction or non-fiction outcome will be written (covering a wide range of genres and themes over the year)

Throughout all phases children are given short writing tasks. As part of writing assessment the children are regularly assessed using various writing opportunities, and an extended write completed independently at the end of a unit of work which is assessed using the Pathways to Write exemplification.

In the new English curriculum grammar and spelling now plays a key role in the children's writing. To support our children's grammar and spelling progression and attainment, the teachers integrate time to practicing these skills within their English lessons. Years 1-6 also have a regular SPAG test.

Teachers take the skills for their year group from the National Curriculum to ensure progression throughout the year groups.

Cross-curricular English Opportunities

Teachers will seek to take advantage of opportunities to make cross-curricular links. They will plan for pupils to practice and apply the skills, knowledge and understanding acquired through literacy lessons to other areas of the curriculum.

The Use of ICT

Opportunities to use ICT to support teaching and learning in English will be planned for and used as appropriate ensuring the activity has a strong English base.

Assessment and Target Setting

Teachers will be set annual targets for their children's progression and attainment as part of their performance management. Pupil progress meetings will be held termly and assessments against the national criteria will be made at the end of each term (December, March and July).

The statutory tests will be taken at the end of Key Stage 2 and in EYFS assessments are carried out in September and July to monitor progress made.

At the end of Year 1 the children sit the Phonics Screening Test and those who do not pass re-sit the following year.

Assessment is a critical part of teachers' planning and work will be assessed in line with the Assessment Policy.

- We complete regular writing assessments to track the children's progress. These are assessed using Pathways to Write exemplification as well as termly moderation.
- Teachers mark all writing in line with the Marking Policy.
- Phonics assessments are carried out half termly using the RWInc Assessment sheet and this information is recorded using the RWInc Tracker to track progress through the phonics phases.

Intervention Programmes

Intervention programmes are implemented to support children where appropriate and for children identified by the class teacher and the SLT during Pupil Progress Meetings. These may include IDLS, Talk Boost and additional 1:1 reading and tutoring. They may however be planned specifically to a group's needs using assessments from the teacher.

Equal Opportunities

All children are provided with equal access to the English curriculum. We aim to provide suitable learning opportunities regardless of gender, ethnicity or home background.

Special Education Needs

At Penwortham Broad Oak Primary School we are committed to ensuring that all policies reflect our inclusive ethos and support the needs of every learner. In line with the Special Educational Needs and Disabilities (SEND) Code of Practice, we strive to:

- Provide equal access to opportunities for all pupils, including those with SEND.
- Ensure that reasonable adjustments are made to remove barriers to learning and participation.
- Promote high expectations, independence, and achievement for all pupils, regardless of need or background.
- Work collaboratively with families, external agencies, and staff to identify and meet the needs of pupils with SEND.
- Embed a graduated approach to support, ensuring early identification, targeted intervention, and regular review.

This policy should be read in conjunction with our SEND Policy and Equality Policy, which outline our broader commitment to inclusion, accessibility, and the celebration of diversity.

Conclusion

This policy also needs to be in line with other School Policies and therefore should be read in conjunction with the following School Policies:

- Teaching and Learning Policy
- Assessment and Record Keeping
- Feedback and Marking policy
- Special Educational Needs Policy
