

# Year One- Spring Term 2

23<sup>rd</sup> February - 26<sup>th</sup> March 2026

**In Maths we will be...**

**Focusing on place value up to 50, length and height and also mass and volume.**

**In English we will be...**

Continuing with Read Write Inc phonics. We will also be completing a unit based on the story 'The Tiny Seed'. We will produce our own booklets about plants.

**In Science we will be...**

**Learning about plants and trees, identification, labelling and sorting.**

**In Design Technology we will be...**

Looking at structure and stability, we will then go on to design our own stable pencil pots.

**In PSHE we will be...**

**Looking at our rights and respect for others, we learn how to care for things and look after our money.**

**In RE we will be...**

Learning about the reasons why we should care for our world.

**In Computing we will be...**

**Learning how to group and label data, learning how to sort information digitally.**

**In PE we will be...**

Learning skills around underarm throwing techniques and net and wall games.

**In Geography we will be...**

**Looking at the countries of the United Kingdom, learning capital cities then linking back to our own local area.**

**PE days this half term are on Tuesday and Wednesday (Please wear PE kit on these days)**

**Please check Seesaw for all of our classroom updates.**
